Some events this month were:

Thursday June 2 - Cycle 2 and 3 were away at track and field and the younger students had a special day at school. Our class and the pre-k/k class made mini pizzas together. They were delicious!

Monday June 6 - a soap making workshop was put on by Katie and Mary from the Serenplicity shop in Ormstown. The students had lots of fun learning about making soap. They loved their watermelon soap!

Friday June 17 - during a whole school community circle the 1/2 class presented their iMovies. The students have been working on this project for the past few weeks. The movies were about what makes F.E.S. a cool school. The students worked together in groups to decide what to include in their movies and also took turns filming. The movies were awesome!
